Title: a notebook

Author: Lenora of Yew

My notes thus far on
the Magincia text:

...blesthenfarre uylemme
thenne *scribbles* therne
terr'ansblennuys...

...be broken should the
way of darkness... open
or break inward?

...uyhllese mu schanneleb
hube fehrrennelessi ... hi
wehem rheblessi mul
hennon nos...

...because without this
symbol... fehrrennelessi... a
derivitive of the words
to smite? Or the name
of a place or person?...
cannot the way be...
